

ISFAHAN
UNIVERSITY OF TECHNOLOGY

German Institute of
Food Technologies

***Memorandum of Understanding
between
Isfahan University of Technology (IUT), Iran
and
German Institute of Food Technologies (DIL), Germany***

Hereby the German Institute of Food Technologies and the department of Food Science and Technology, College of Agriculture at IUT, wishes to establish scientific collaboration in the following areas:

- *Joint diverse research projects in the areas of mutual interest*
- *Joint development of new technologies*
- *Outsourcing of the reference work*
- *Exchange of faculty members in terms of short period sabbatical leave (3-12 months),*
- *Exchange of PhD students in terms of short sabbatical leave (6-9 months),*
- *Training the graduate students in terms of short research visits (1-3 months)*
- *Exchange of information and materials in the fields of common interest,*
- *Exchange of other activities on which mutual consent is reached,*
- *Organizing joint symposia, workshops and conferences,*

Themes of joint activities and conditions for utilizing the results achieved and arrangements for specific visits, exchanges and other forms of cooperation will be negotiated for each specific case.

Signed:
